WHO WE ARE

The Company

Walls and Slabs Construction Limited, an indigenous construction company located in Lagos, Nigeria and registered under the Company's Allied act of 1990 was established to provide integrated engineering services that are solution driven to our teeming clients Our specialization includes providing wide range of services in design and construction, property valuation, facility management, project management and consultancy services.

Walls and Slabs have a team of competent, vibrant and effervescent professionals who are passionately driven to serve. Our competence emanates from both acquired expertise, skills and experience garnered not only through training but also from several projects executed over the years. The company is committed to providing efficient and quality services to her customers

MISSION STATEMENT

To provide innovative engineering solutions that are efficient, prompt and of the best quality through the deployment of the best resources, technical expertise and up-to-date technologies conducted in line with global best safety operating standards.

OUR VISION

Our vision is to become a world class engineering firm, serving as the pace setter in the Nigerian engineering industry.

CORE VALUES

PROFESSIONALISM: - Achieving excellence in all projects while conforming to the highest health and safety standards and practices.

RESPECT: - Regarding clients with honour and valuing their roles, contributions and viewpoints.

INTEGRITY: - We are always confident to stand by our commitment, whatever we say, we do.

DEDICATION: - Passionately seeing a project through to its very end.

TEAMWORK: - Working together to achieve a common goal while overcoming differences and working through obstacles we may encounter.
